

Power at 1911 S. Indiana has been restored. All staff that work evening or midnight shifts at 1911 S. Indiana should report to that site as normal. Employees who work the day shift should report back to work at 1911/21 S. Indiana effective tomorrow morning. Administrators and supervisors, please ensure all of your staff are contacted and aware that power has been restored and when they are to report back to work.

Thank you for your cooperation.
